

“ Many people are focused upon continuing personal development, but do not want to undertake full programmes or professional qualifications. ”

Personal Development

Many people are focused upon continuing personal development, but do not want to undertake full programmes or professional qualifications. THE Group offers a broad spectrum of workshops designed to develop the behaviours, knowledge and skills of individuals and organisations.

Combining first class customer service with our extensive experience, knowledge and trusted approach, THE Group has over 1,000 workshop topics to choose from such as:

- Assertiveness
- Communication Skills
- Customer Service
- Delegation
- Finance for Non-Financial Managers
- Interview Skills
- Marketing
- Presentation Skills
- Stress Management
- Sales
- Time Management
